LOCAL STREET FOOD TRADERS

A modern take on the food market, offering a wide selection of street food from across the globe.

STACK has a selection of street food traders that will fit everyone's appetite! This ensures your guests have plenty of choice when it comes to food options.

- Food vouchers are included in most packages to ensure our independent street food traders benefit from every event as the venue would be closed to their regular customers.
- Guests will also be able to pay cash to purchase more food and drinks etc on the day.

Eating and drinking with groups of friends in a lively environment is the main reason for visiting us at STACK, but it's not all we have to offer!

BARs

STACK has a number of bars situated throughout the venue, all serving premium draught, cocktails and much more!
