Step into the action with Sideshow Darts - designed for everyone from first-timers to sharpshooters. Using our innovative, camera-based scoring system, each throw is tracked automatically, letting you focus on the thrill of the game without the hassle of keeping score.

INTERACTIVE SHUFFLEBOARD

Our shuffleboard experience brings a new level of excitement to this classic game, combining skill and strategy with a dash of friendly competition. With three unique game formats to choose from, there's something for everyone, from shuffleboard purists to those seeking a fresh twist on the traditional game.

KARAOKE BOOTHS

Our private karaoke booths are where you can belt out your favourite hits without judgment - just love and support from your crew! With a killer song library and soundproof walls (thank us later), grab the mic, cue the classics, and get ready for your personal concert.
